Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Sunday 24 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showery today and tomorrow. Some heavy rain midweek.

Today:
Occasional rain through the morning, heaviest across Cumbria. Brighter skies edging eastwards during the afternoon, but with a few heavy showers too. Winds gradually easing and feeling pleasant in any sunshine. Maximum temperature 15 deg C (59 deg F).

Tonight:
Clear spells and occasional showers overnight, with the chance of a few heavier ones. Winds continuing to ease allowing it to turn locally chilly but remaining frost-free. Minimum temperature 6 deg C (43 deg F).

Monday:
Sunshine and scattered showers with a few heavier downpours possible and the chance of hail and thunder. Breezy at times but feeling pleasant enough in the sunshine. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Increasingly cloudy on Tuesday, with rain later. Some heavy rain on Wednesday, this possibly lasting into Thursday, though becoming lighter. Very mild throughout but windy at times.
